# Resolution In Favor of Passing the Minnesota Marriage Protection Amendment

## Resolution

**Emphasizing** that marriage, as the union of one man and one woman, has served as the foundation of society since before Minnesota was a state,

**Affirming** that marriage, as the union of one man and one woman is in the public good and serves the interests of men and women, of children, and of society itself,

**Deeply concerned** that attempts by politicians and a lawsuit to redefine marriage are currently underway in Minnesota,

**Fully aware** that the Minnesota Marriage Protection Amendment simply allows voters to protect our state's current definition of marriage as the union of one man and one woman,

**Therefore, be it resolved that we support the Minnesota Marriage Protection Amendment that preserves Minnesota's historic and traditional definition of marriage as the union of one man and one woman.**
